Profile:

I am a well presented and self-motivated individual. I am proud of my excellent communication and listening skills which are essential for working in a team, but I also have the initiative to work alone. In my spare time, I enjoy improving my IT skills (HTML, CSS, Javascript, jQuery and C#), music and learning to play the guitar. I recently obtained a Distinction-Merit in the Level 3 IT course I am enrolled on at ***** College. I would like to work for a well established employer and gain new skills.

Work Experience:

IT Technician at M C S Onsite IT Services.

Network Technician at AIM Altitude.
